Wine Advocate # 168 Dec 2006
An excellent value in Cabernet Sauv that a higher potential for quality exists. A dark ruby/purple color is accompanied by a classic nose of sweet black cherries and cassis (reminiscent of a Rutherford Cab), pleasant spice and smoke characteristics, medium to full body, and silky tannin. This pure, elegant beauty should be consumed over the next 10-12 years.

December 2006

An excellent value in Cabernet Sauvignon from the Beckstoffer family, this offering indicates that a higher potential for quality exists for Lake County Cabernet than previously believed. A dark ruby/purple color is accompanied by a classic nose of sweet black cherries and cassis (reminiscent of a Rutherford Cab), pleasant spice and smoke characteristics, medium to full body, and silky tannin. This pure, elegant beauty should be consumed over the next 10-12 years.
